

Add a Point

1. Add modules for point adding

```
"esri/graphic",  
"esri/geometry/Point",  
"esri/Color",  
"esri/symbols/SimpleMarkerSymbol",  
"dijit/Menu",
```

2. Add functions for point adding

```
Graphic,  
Point,  
Color,  
SimpleMarkerSymbol,  
Menu,
```

2. Add functions for point adding

```
map.on("load", addGraphics);  
function addGraphics() {  
  var pointSymbol = new SimpleMarkerSymbol();  
  pointSymbol.setColor(new Color("#AC2D2D"));  
  var point = new Point(-122.4479,37.7531);  
  map.graphics.add(new Graphic(point, pointSymbol));  
}
```
